Hi Christine,

Can you forward the email you sent to the state and the one you sent to NWEA for our records.

Thanks!

Jayne,

If you have the actual email that Christine sent to the state that conveyed formal disapproval, would you mind forwarding it?

That's what I meant to ask Christine about. It was less about the signed letter (which I already had) and more about the official record that the email to the state provided.

Thanks.

Don

Unfortunately (as you may know) the Federal Register Notice appears to be stuck at UPS. We plan to have Dennis sign the Federal Register notice on Monday and send it out again.

Have a great weekend!
